PROFILE

Computer Science undergraduate at Informatics Institute of Technology with a strong interest in Software Engineering and Full Stack Web Development. Experienced in developing web applications using React, Node.js, MongoDB, and AWS through academic and personal projects. Passionate about building scalable, user-focused software and continuously expanding technical skills. Seeking internship opportunities to gain hands-on industry experience and contribute to real-world software development projects.

EDUCATION

BSC (Hons) Computer Science
Informatics Institute of Technology, Srilanka
Affiliated University - University of Westminster, UK
Year 2023 - Present

Thurstan College Colombo 07
GCE A/L - B,C,S
GCE O/L - A2,B1,C6

TECHNICAL SKILLS

Programming Languages:

- Python, Java, JavaScript, TypeScript, SQL

Frontend Technologies:

- HTML5, CSS3, React.js

Backend Frameworks:

- Node.js, Express.js

Databases:

- MySQL, NoSQL

Tools & Platforms:

- VS Code, Git/GitHub, Postman, Expo

PROJECT EXPERIENCE

Software Development Group Project (SDGP)

- Contributed to the development of ChargeUp, an EV charging mobile application. Developed frontend features including the charging page, QR code scanning, and payment flow integration. Collaborated with team members during development, testing, and project delivery using modern development tools.

Personal Web Development Project

- Developed a personal portfolio web application using React and JavaScript to showcase projects, technical skills, and achievements. Implemented a responsive user interface to ensure a seamless experience across desktop, tablet, and mobile devices.

Estate Agent Project

- Developed a responsive frontend Estate Agent website using React and JavaScript with reusable components and interactive UI features.

Calculator Application

- Developed a calculator application using Java and JavaScript to perform basic arithmetic operations with input validation and error handling.

CERTIFICATIONS

Python GUI Development with Tkinter - LinkedIn Learning

Python for Data Science Tips, Tricks and Techniques - LinkedIn Learning

LANGUAGES

Sinhala

English

MEMBERSHIP & SOCIETY INVOLVEMENT

Former Member of LEO Club of Thurstan college (2021/2022)

A Member of IEEE Computer Society
